

The COVID-19 Secure Guidelines

- Minimise contact with individuals who are unwell: Nobody should attend the premises if they have symptoms or are self-isolating due to symptoms in their household.
- Clean your hands often: Sanitiser or soap and water should be provided at entry and exit points, sanitiser and/or running water, soap and paper towels or hot air driers in toilets.
- Respiratory hygiene: Everyone needs to be encouraged to avoid touching their mouth, eyes, and nose. Tissues need to be disposed of into a bin, then hands cleaned.
- Regular cleaning of surfaces that are touched frequently: including door handles, handrails, tabletops, sinks, toilet areas, kitchen surfaces. Wet wipes are provided.
- Maintain social distancing where possible: Social distancing guidelines currently require at least 2 metres (3 steps) to be maintained between individuals and groups of up to 2 households where possible and, where not possible, 1 metre plus other mitigation measures. Bookings can be accepted for events where social distancing can be maintained and contacts below 2m are minimised and transitory, but certain types of events cannot yet be held.
